

## The Garden Club of New Haven

*Promoting the preservation of natural resources is one of the primary missions of The Garden Club of New Haven (GCNH) and of the organizations with which is affiliated, the Federated Garden Club of Connecticut and the Garden Club of America. Since 2011, GCNH has actively participated in educating the public about issues involving trees and power and advocating for a balanced approach to preserving the benefits of trees and protecting public safety, including power reliability.*

Re: Docket No. 17-12-03RE08, Supplement to Response to Motion No. 043, Requesting Adoption of Undergrounding Report

Dear Chairman Gillett, Vice-Chairman Betkowski and Commissioner Caron:

The Garden Club of New Haven (GCNH) received the attached article after filing its Response to Motion No. 043 on December 6. We submit it to you in order to inform you about up to date reports on undergrounding in other states, which we do not think are adequately addressed in the Undergrounding Report.

Thank you for your consideration of this article.

Respectfully submitted,  
Mary-Michelle U. Hirschhoff
