About Connecticut Forest & Park Association and Connecticut Woodlands Magazine

Connecticut Woodlands is a quarterly magazine published since 1936 by CFPA, the private, non-profit organization dedicated to conserving the forests, parks, and trails in Connecticut. We ask that designers consider the publication's conservation-focused audience when creating their ad.

The magazine is published 4 times per year in March, June, September and December with a circulation of over 2,500 addresses (including public libraries), and is also available online.

For more information about CFPA, visit our website, www.ctwoodlands.org, or call 860-346-TREE.
